Réamhfocal ón Ardmhéara

Nuair a toghadh im' Ardmhéara mé, mar ab amhlaidh le go leor de mo réamhtheachtaithe, ba ríshoiléir na smaointe a bhí agam i dtaca leis na hábhair a mhothaíos féin go raibh tábhacht leo don chathair agus dá saoránaigh. Tá Corcaigh mealltach go maith d'infheisteoirí agus do phríomhpháirtithe nua agus ní mór go bhfanfadh sí mar sin, agus ní mór a chinntiú go bhfeictear an Chathair mar áit le lonnú inti agus dul i mbun gnó inti. Agus an t-alt seo á scríobh agam, tá roinnt fógraí fostaíochta do Chorcaigh curtha i láthair le déanaí, rud a léiríonn go soiléir cumas an réigiúin infheistíocht a mhealladh agus cuireann sé in iúl d'infheisteoirí ionchasacha eile gur mór an tóir atá ar Chorcaigh don lucht tionscail. Is mór an fáilte atá roimh na fógraí seo agus dearbhaíonn siad obair leanúnach na bpríomhpháirtithe leasmhara.

Feictear cathracha ar fud na hEorpa le ráta athraithe ollmhór cuairteoirí agus ní tráthúil é go bhfuil limistéir mhóra um áirithiú do choisithe agus limistéir siopadóireachta i lár na cathrach ag na cinn scríbe móréilimh seo. Ní mór go leanfaí le leathnú na limistéar choisithe i lár na cathrach ionas go bhfásfadh agus go mbláthódh lár na cathrach. Is rathúil an t-áirithiú do choisithe i limistéar na cathrach ina bhfuil sé curtha i bhfeidhm againn. Aithnítear go leanann infheistíocht phríobháideach forbairtí an réimse poiblí. Ba í 2013 bliain Thóstal Éireann. Ar na himeachtaí i gcaitheamh na bliana bhí Paráid Reibiliúnach & Chultúrtha Chorcaí (mar chuid de Sheachtain na Reibiliúnach Chorcaí i mí Dheireadh Fómhair) agus na Mionchluichí Domhanda a bhí ar siúl ar fud na cathrach agus an chontae i mí Lúnasa. I mí Eanáir, tionóladh cruinniú mullaigh ollmhór le ceannairí gnó Domhanda, feidhmeannaigh ardleibhéal, fiontraithe agus infheisteoirí ó na Stáit Aontaithe agus ó Éirinn i gCathair Chorcaí d'ócáid 2 lá an ITLG "Tagann Silicon Valley go hÉirinn" [Silicon Valley comes to Ireland] mar chuid de Thóstal Éireann. Reáchtáladh go leor tionól pobail i gcaitheamh na bliana. Thug na himeachtaí seo mar chuid den Tóstal líon mór cuairteoirí chuig an gCathair, idir chuairteoirí náisiúnta agus idirnáisiúnta araon, agus thaispeáin siad an chathair mar cheann scríbe beoga chun críocha gnó agus fóillíochta, mar aon le seachthairbhe eacnamaíoch ar mór an fáilte a bhí roimhe. Cinnte, ba mhór an moladh a thug an leabhar taistil Francach "Le Guide du Routard" do Chorcaigh agus cuireadh iallach ar thurasóirí Francacha cuairt a thabhairt ar an gcathair i mbliana. Sa leabhar taistil úd tugadh aitheantas agus moladh dár bhféilte domhanda ag ceiliúradh ceol, pictiúrlann agus litríocht, ár mbialanna agus tábhairní agus an radharcra álainn sa cheantar máguaird. Gan dabht,

is maith an t-eolas atá againn féin anseo i gCorcaigh ar an iliomad nithe is díol spéise inár gcathair. Tá moladh dá leithéid tuillte go maith agus spreagfaidh sé níos mó cuairteoirí idirnáisiúnta taisteal go Corcaigh. Bhuaigh an Chomhairle go leor gradam i gcaitheamh na bliana lena n-áirítear Gradam ITS Ireland "Ag Aithint Sármhaitheasa in Úsáid ITS" [Recognising Excellence in Deploying ITS]. Tugann an gradam seo onóir do na héachtaí is nuálaíche, is éifeachtaí agus is mó tionchair sna córais chliste iompair (ITS), agus bronnadh é do Bhearta Taistil Inbhuanaithe Shráid Phádraig - Tionscadal Faisnéise Taistealaí. Mar Ardmhéara bhí ríméad orm gradam ollmhór a ghlacadh do Chorcaigh thar ceann na Comhairle ag searmanas na nGradam Uirbeach i Londain. B'iad baill an Acadaimh Uirbeachais a roghnaigh Corcaigh mar an buaiteoir sa chatagóir "an Baile Mór" [the Great Town]. Luaigh an gradam carachtar, daoine, cáilíocht áite, eacnamaíocht agus inbhuanaitheacht Chorcaí agus is léargas é ar an obair a dhéanann páirtithe leasmhara uile Chorcaí bliain i ndiaidh bliana. Ba mhaith liom aitheantas a thabhairt agus buíochas a ghabháil le foireann Chomhairle Cathrach Chorcaí a chomhordaigh an t-iarratas rathúil don ghradam. Bhuaigh Comhairlí Cathrach agus Contae Chorcaí Gradam Chomhlachais Tráchtála na hÉireann um Shármhaitheas sa Rialtas Áitiúil don tionscadal "Cork Innovates". Tionscnamh uathúil, comhoibríoch é Cork Innovates a bhfuil sé mar aidhm leis tacaíocht ghníomhach a thabhairt do chruthú post, éiceachóras fiontraíochta a chur chun cinn agus tacú le cleachtais ghnó nuálaíocha. Trí an fhiontraíocht a chur chun cinn tá sé mar aidhm le Cork Innovates réigiún Chorcaí a bhunú mar an áit is fearr le gach cineál gnó fiontraíochta a lonnú inti, ó thaobh áitiúil, réigiúnach, náisiúnta agus idirnáisiúnta.

Fáiltítear roimh an fógra cistiúcháin i mBuiséad 2014 chun lárionad imeachtaí ilfheidhmeach mórsála a fhorbairt i gCorcaigh. Soláthróidh forbairt a leithéid d'áis anseo sa Chathair borradh a bhfuil géarghá leis don eacnamaíocht áitiúil agus is ollmhór na buntáistí eacnamaíocha a thiocfaidh as don réigiún trí chéile. Ar deireadh, ba mhaith liom mo bhuíochas a ghabháil le mo Chomhairleoirí comhalta as an obair dhian a dhéanann siad agus as a ndíograis agus le Bainisteoir na Cathrach agus na fostaithe uile as a gcuid díograise, iarrachta agus tiomantais do mhuintir Chorcaí agus don chathair i gcaitheamh na bliana.

Cllr. Catherine Clancy,
Lord Mayor of Cork.

Lord Mayor's Foreword

When I was elected Lord Mayor, I like so many of my predecessors, had very clear ideas of the issues I felt were important to the city and its citizens. Cork is and needs to remain attractive to new investors and key players and ensure that the City is seen as a place to locate to and to do business in. As I write this article, there has been a number of recent job announcements for Cork, which demonstrates clearly the regions ability to attract investment and sends a signal to other potential investors that Cork is a sought after location for industry. These announcements are extremely welcome and are testament to the on-going work of the key stakeholders.

All over Europe we see cities with a huge turnover of visitors and it is not coincidence that all these popular destinations have large areas of pedestrianisation and shopping in their city centre. The expansion of the pedestrian areas of the city centre must continue for the city centre to grow and thrive. Pedestrianisation has been a success in the areas of the city where we have rolled it out. It is acknowledged that private investment follows public realm developments. 2013 was the year of the Gathering. Events during the year were the Cork Rebel & Cultural Parade (as part of Cork Rebel week in October) and the World Mini Games which were held throughout the city and county in August. In January, a major summit of Global business leaders, high level executives, entrepreneurs and investors from the US and Ireland convened in Cork City for the 2 day ITLG "Silicon Valley comes to Ireland" event as part of the Gathering. Numerous community gatherings were held throughout the year. These Gathering events brought a large number of visitors to the City, both national and international, and showcased the city as a vibrant destination for business and leisure purposes, as well as having a welcome economic spin-off. Indeed, the French travel bible "Le Guide du Routard" heaped praise on Cork and urged and recommended French tourists to visit this year. The travel bible recognised and praised our world-festivals celebrating music, cinema and literature, our restaurants and pubs and the beautiful scenery in the surrounding area. Of course, we in Cork are already well aware of the manifold attractions of our

city. Such praise is well deserved and will encourage more international visitors to travel to Cork.

The Council won numerous awards during the year including the ITS Ireland Award "Recognising Excellence in Deploying ITS". This award honours the most innovative, effective and influential achievements in the intelligent transportation systems (ITS), and was awarded for the St. Patrick Street Sustainable Travel Measures – Traveller Information Project.

As Lord Mayor I was delighted to accept on behalf of the Council a major award for Cork at the Urban Awards ceremony in London. Cork was voted the winner in "the Great Town" category by members of the Academy of Urbanism. The award cited Cork's character, people, quality of place, economy and sustainability and is a vindication of the work all of Cork's stakeholders do every year. I would like to recognise and thank the staff of Cork City Council who co-ordinated the successful application for the award. Cork City and County Councils won the Chambers Ireland Excellence in Local Government Award for the "Cork Innovates" project. Cork Innovates is a unique, collaborative initiative which aims to actively support job creation, the promotion of an entrepreneurial eco-system and the support of innovative business practices. By promoting entrepreneurship Cork Innovates aims to position the Cork region as the very best place to locate entrepreneurial business in all its forms, from a local, regional, national and international perspective.

The announcement in Budget 2014 of funding for the development of a large scale multi-functional events centre in Cork is welcome. The development of such a facility here in the City will provide the local economy with a much needed boost and will reap major economic benefits for the region.

Finally I would like to express my appreciation to my fellow Councillors for their hard work and enthusiasm and to the City Manager and employees for their dedication, effort and commitment to the people of Cork and the city throughout the year.

Cllr. Catherine Clancy,
Ardmhéara Chorcaí.

Réamhfhocail ó Bhainisteoir na Cathrach.

Bhí tionchar tromchúiseach ag an timpeallacht eacnamaíoch tríd is tríd agus ag staid chúrsaí airgeadais na tíre ar Chomhairle Cathrach Chorcaí le trí bliana anuas agus b'amhlaidh an scéal chomh maith le linn 2013. Tá go leor dár gcuid foinsí ioncaim faoi bhrú mór agus ag an am céanna tá éileamh breise ar sheirbhísí i gcuid mhaith réimsí mar gheall ar staid reatha an gheilleagair, rud a chuireann tuilleadh leis an mbrú atá ar chúrsaí airgeadais na cathrach. Sa chomhthéacs sin caithfimid cothromaíocht a bhaint amach idir an riachtanas atá ann iomaíochas na n-íocóirí rátaí a choimeád agus fós a aithint go bhfuil deacrachtaí ag cuid mhaith dár saoránaigh íoc as roinnt de na seirbhísí a chuirimid ar fáil.

Chomh maith leis sin tá sé de chúram ar an gComhairle Cathrach eacnamaíocht na cathrach a stiúradh agus a fhás mar aon le struchtúr, idir shóisialta agus fhisiciúil, i slí atá inbhuanaithe ó thaobh an chomhshaoil de. Is go mór i ndeacracht a théann an tasc sin agus an Chomhairle ag feidhmiú le hacmhainní atá laghdaithe go mór. Ionas go gcoimeádfáí cur chuige sách cothrom ó thaobh seachadadh seirbhíse agus forbartha de, tá an Chomhairle tar éis dul sa tóir go forghníomhach ar bhreis éifeachtúlachtaí ina cuid oibríochtaí. Táthar tar éis é seo a bhaint amach trí rannpháirtíocht ghníomhach na foirne ag bainistiú ualaí méadaithe oibre ar bhonn tosaíochta, agus trí choigilteas suntasach a bhaint amach i gcostais oibríochta.

In 2013 lean earnáil an rialtais áitiúil léi ag cur tionscadail mhóra athraithe ar aghaidh, mar shampla aistriú na seirbhísí uisce go hUisce Éireann, agus ag cur réimse tionscadal seirbhísí comhroinnte ar aghaidh go náisiúnta. Ciallaíonn an clár um athchóiriú an rialtais áitiúil faoi scáth "Putting People First",

a sheol an tAire i mí Dheireadh Fómhair 2012, go mbeidh tuilleadh athraithe i ndán don earnáil lena n-áirítear bunú beartaithe Oifigí Fiontraíochta Áitiúla agus Coistí Socheacnamaíocha. Cuireann an chomhairle cathrach fáilte roimh na tograí sin, a chuireann le ról agus le hábharthacht an rialtais áitiúil, agus beimid ag obair i dtreo a mbunaithe in 2014.

Mar fhocal scoir ba mhaith liom buíochas a ghabháil leis an Ardmhéara agus leis na Comhairleoirí Cathrach as a gcuid tacaíochta i gcaitheamh na bliana agus ba mhaith liom buíochas a ghabháil chomh maith le fostaithe uile na Comhairle Cathrach as a gcuid tiomantais leanúnaigh ag soláthar seirbhísí den chéad scoth don phobal ainneoin go raibh foireann agus acmhainní airgeadais laghdaithe acu.

Tadhg Ó Luasa,
Bainisteoir na Cathrach.

City Manager's Foreword.

The general economic climate and state of the national finances have severely impacted on the City Council over the past three years and continued to do so during 2013. Many of our income sources continue to be under severe pressure, while the current economic situation also results in increased demand for services in many areas, further exacerbating the pressure on the city's finances. Within this context we must balance the need to maintain the competitiveness of our ratepayers and also recognise the difficulties which many of our citizens face in paying for some of the services we provide.

The City Council is also charged with continuing to lead and grow the city's economy and its social and physical structures in an environmentally sustainable manner. This becomes an increasingly difficult task while at the same time operating with significantly reduced resources. In order to maintain a reasonably balanced approach to service delivery and development, the Council has proactively sought out increasing efficiencies in its operations. This has been achieved through the active participation of staff in managing increasing workloads on a prioritised basis, and in achieving significant savings in operational costs.

In 2013 the local government sector continued to progress significant change projects such as the transition of water services to Irish Water and progressing nationally a range of shared services projects. The launch of the local government reform programme under "Putting People First", launched by the Minister in October 2012, will introduce further change for the sector including the proposed establishment of Local Enterprise Offices and Socio Economic Committees. The city council welcomes these initiatives in further strengthening the role and relevance of local government and will work towards their establishment in 2014.

In conclusion I would like to thank the Lord Mayor and City Councillors for their support during the year and to thank all City Council employees for their ongoing commitment to maintaining quality services to the public in spite of reduced numbers and financial resources.

Tim Lucey,
City Manager.

Is ionann an tionscadal tithíochta seo agus an chéad chéim d'Athnuachan Iarthuaisceart na Cathrach atá le tosú ar an láithreán go luath an bhliain seo chugainn. Tá sé le bheith críochnaithe i mí Dheireadh Fómhair 2015.

Is éard a bheidh san fhorbairt ná aon cheann déag d'aonaid 3 stór le 3 sheomra leapa agus dhá aonaid 2 stór le 3 sheomra leapa os comhair Bhóthar na Cille Móire Íochtarach (mar a léirítear san íomhá faoi iamh) agus deich gcinn d'aonaid 2 stór le 3 sheomra leapa os comhair Arda Chill Iníon Léinín, mar aon le Fochla nua a chuirfear in ionad an chinn atá ann cheana.

Roghnaíodh an láithreán áirithe sin mar gheall ar a thionchar íosta ar Phlean Athnuachana foriomlán Iarthuaisceart na Cathrach, rud a fhágann gur féidir é a fhorbairt roimh an chuid eile den phlean. Tagann an scéim seo go ginearálta le coincheap Mháistirphlean na Gníomhaireachta Foirgníochta Náisiúnta agus tá sí faoi threoir ag prionsabail dearaidh uirbigh ó thaobh scála agus tiomsú sráideanna.

Mar shampla, ar an príomh-dháilbhealach cónaithe, .i. Bóthar na Cille Móire Íochtarach, tá scála trí stór glactha agus is as bríce a bheidh na haghaidheanna ar fad tógtha. Áit a laghdófar méid an bhóthair rochtana go dtí sráid chónaithe níos lú, .i. Arda Chill Iníon Léinín, laghdófar scála an éadanaís go dtí dhá stór agus beidh na haghaidheanna déanta den oiread céanna de bhríce agus de phlástair. I measc na bprionsabal dearaidh comhroinnte eile tá úsáid cloiche nádúrtha ag gach doras tosaigh isteach agus úsáid báfhuinneoga chun feabhas a chur ar an méid de sholas na gréine a ligfear isteach ó threoshuímh éagsúla, go háirithe maidir le treoíochtaí ó thuaidh. Caitear leis an scéim 'inlíonta' sin mar leathnú ar na sráideanna bunaithe, ag nascadh le seirbhísí atá ann cheana féin, agus lena gcoinnítear an patrún sráide dronuilleogach atá ann cheana féin. Ní mheastar, ó thaobh dearaidh agus pleanála, go bhfuil sé ina chuid d'Fhorbairt Athnuachana foriomlán Iarthuaisceart na Cathrach.

23 Infill Units at Kilmore Road Lower

This housing project represents the first phase of the City North West Regeneration which is due to commence on site early next year. It is programmed for completion in October 2015.

The development consists of eleven 3 storey 3 bedroom units and two 2 storey 3 bedroom units facing Kilmore Road Lower (as illustrated in the attached image) and ten 2 storey 3 bedroom units facing Killiney Heights, along with a new Grotto to replace the existing.

This particular site was chosen because of its minimal impact on the overall City Northwest Regeneration Plan, thus allowing it to be developed in advance of the rest of the plan. The scheme generally accords with the National Building Agency (NBA) Masterplan concept and is informed by urban design principles of scale and massing of streets. For example, on the main residential distributory route ie Kilmore Road Lower, a three storey scale is adopted and the facades are all brick. Where the access road is reduced to a smaller residential street, ie Killiney Heights, the scale of frontage is reduced to two stories and the facades are half brick and half render. Other shared design principles include the use of natural stone to all front door entrances and the use of bay windows to improve sunlight penetration from various orientations, particularly on north facing aspects.

This 'infill' scheme is treated as an extension of the established streets, connecting into existing services and maintaining the existing rectangular street pattern. It is not considered in design and planning terms, to be integral with the overall City Northwest Regeneration Development.

Athnuachan Tithíochta Bhóthar Spriggs

Tá dul chun cinn maith á dhéanamh maidir le tógáil tionscadail forbartha tithíochta €5 mhilliún i nGarrán na mBráthar, ar cuireadh tús leis ar an láithreán i nDeireadh Fómhair 2011, agus tá sé ar cúrsa le bheith críochnaithe i mí Eanáir 2014. Is éard atá i gceist le hathnuachan na n-árasán ar Bhóthar Spriggs feadh Céide Ghleann na Gréine ná 36 aonad nua ina mbeidh árasáin inrochtana ar urlár na talún le hárasáin dhá urlár os a gcionn, agus cúig theach inlíonta nua eile le hIonad Pobail, a mbeidh áiteanna páirceála tiomnaithe ag dul leo go léir. Áirítear leis an tionscadal freisin athchóiriú ar dhá theach ar choirnéal Phlás Naomh Muire agus Ascaill Acra an Teampaill. An áit a mbíodh ina limistéar dúshlánach, a bhí cráite ag iompar frithshóisialta, roimhe seo, díródh tionscnamh athnuachana dea-bhreithnithe uirthi, tionscnamh atá á chistiú ag an Roinn Comhshaoil, Pobail agus Rialtais Áitiúil agus á bhainistiú ag Roinn Ailtire na Cathrach thar ceann na Stiúrthóireachta Tithíochta agus Pobail. Nochtadh trí bhloc rindreáilte ina gcreatlaí loma, cuireadh díon nua orthu, rinneadh iad a shíneadh le bealaí nua isteach déanta de bhrí mar aon le síntí aon stóir ar cúl, agus rinneadh athphleanáil orthu chun caighdeán tithíochta an lae inniu a chomhlíonadh. Tá limistéar fána mór glas ó thuaidh agus soir ón bhforbairt á chothabháil mar Pháirc, le ráillí íseal thart timpeall air chun é a fhágáil níos sábháilte, agus tá sé feabhsaithe le cosáin bhreise agus binsí. residents and groups can now see how much it enhances the area, and is a real asset to the community.

Spriggs Road Housing Regeneration

The construction of a €5 million housing development project in Gurranabraher, which first began on site in October 2011, is progressing well and is on course for completion in January 2014. The regeneration of the Spriggs Road flats along Sun Valley Drive consists of 36 new units comprising accessible ground floor apartments with duplexes above and a further five new infill houses with a Community Centre, all with dedicated parking. The project also includes the refurbishment of two houses at the corner of St Mary's Place and Templeacre Avenue. What had previously been a challenging area plagued by anti-social behaviour, has been the target of a well considered regeneration initiative, funded by the Department of the Environment, Community & Local Government and managed by the City Architect's Department on behalf of the Housing and Community Directorate. Three existing rendered blocks were stripped back to bare shells, re-roofed, extended with new brickwork entrances and single storey extensions to the rear and re-planned to meet modern housing standards. A large green sloping area to the north and east of the development has been retained as a Park, enclosed with low railings for improved safety and enhanced with additional pathways and benches.

Leabharlann Nua i Machain

In Áras Abode, a tógadh i 1985 agus atá suite ag crosbhealach Bhóthar na Sceiche Airde agus Ascaill Bhaile an Lúir i Machain, cuireadh cóiríocht shaintógtha dhídeanach ar fáil go dtí 2008. Sainithníodh an foirgneamh, atá i suíomh feiceálach, inrochtana i gcoirlár ceantair chónaithe, ina dhiaidh sin mar shuíomh oiriúnach do leabharlann bhrainse nua i gcomhair Mhachan agus na Carraige Duibhe, agus cheannaigh Comhairle Cathrach Chorcaí é. D'fhorbair Roinn Ailtire na Cathrach teoracha mionsonraithe i gcomhairle leis an tseirbhís Leabharlainne, agus rinneadh Staidéar Féidearthachta, inar moladh go ndéanfaí an foirgneamh atá ann faoi láthair a athchóiriú, síneadh a chur leis, agus é a chur in oiriúint, agus é ina aidhm saoráid leabharlainne nua-aimseartha a chur ar fáil ar chostas réasúnta measartha. Áiríodh an méid seo a leanas leis na breithniúcháin deiridh:

- An plean a ath-threoshuí, chun bealach isteach feiceálach a chur ar fáil ar an éadanas sráide
- Síntí ó thuaidh agus ar an taobh thiar in áit an sciatháin thiar atá ann cheana féin, chun imeall uirbeach nua a chruthú mar aon le láithreach chathartha fheabhsaithe
- Cruthaítear nód uirbeach nua de bharr limistéar bealaigh isteach tírdhreachaithe ina gcuimsítear crainn, comharthaíocht, suíocháin agus páirceáil rothar ar Bhóthar na Sceiche Airde
- De bharr gloiniú imbhallaí i limistéir na mbealaí isteach, is féidir breathnú isteach san fhoirgneamh agus bíonn a fheidhm soiléir don phobal
- Tá rochtain d'fheithiclí agus páirceáil ar fáil fós ar an taobh theas agus áirítear leo an dara bealach isteach inrochtana ag an bhfoirgneamh. Trí chur le hinfheictheacht an limistéir sin, beidh maoirseacht éighníomhach air ón gceantar cónaithe in aice láimhe ina cabhair maidir le foghail agus loitiméireacht a dhíspreagadh
- Tá ceangal idir na plandaí ar an Taobh Thiar agus Thuaidh agus na crainn atá ar an Taobh Theas cheana féin, lena gcruthaítear timpeallacht pháirce agus lena maolaítear an t-imeall uirbeachfhrithshóisialta. Fós ag na céimeanna tosaigh dá fhorbairt, anois is féidir le cónaitheoirí agus le grúpaí áitiúla féachaint a fheabhas a dhéanann sé don cheantar, agus gur fíor-bhuntaiste é don phobal.

New Library at Mahon

The Abode Building, built in 1985 and located at the intersection of Skehard Road and Ballinure Avenue in Mahon, provided purpose-built sheltered accommodation up until 2008. Standing in a prominent and accessible location at the heart of a residential area, the building was subsequently identified as an appropriate location for a new Mahon/Blackrock branch library and purchased by Cork City Council.

City Architect's Department developed a detailed brief in consultation with the Library service, and carried out a Feasibility Study, recommending that the existing building was converted, extended and adapted, aiming to provide a modern library facility at relatively modest cost.

Design considerations included the following:

- Re-orientating the plan, to provide a prominent entrance on the street frontage.
- Extensions to the north and west replacing the existing western wing, to create a new urban edge and an improved civic presence.
- A landscaped entrance zone incorporating tree planting, signage, seating and bicycle parking on Skehard Road creates a new urban node.
- Curtain-wall glazing to the entrance areas allows views into the building and announces its function to the public realm.
- Vehicular access and parking on the south side is maintained and includes a second accessible entrance to the building. By improving visibility, passive supervision of this area from the adjacent residential area will help to discourage trespass and vandalism.
- Planting to the West and North connects with the existing trees to the South creating a parkland setting and softening the urban edge.

Tugann an tUachtarán Micheál D. Ó hUiginn cuairt ar Leabharlann na Cathrach President Michael D. Higgins visits the City Library

Ba é buaicphointe an chlár 'IT SEEMS HISTORY IS TO BLAME' in 2013 an chuairt a thug an tUachtarán Micheál D. Ó hUiginn ar Leabharlann na Cathrach, Sráid an Chapail Bhuí, ar an 4ú Bealtaine, chun oscailt oifigiúil a dhéanamh ar thaispeántas, 'The Crucial 100: one hundred books which inspired a revolution'.

Highlight of the 'IT SEEMS HISTORY IS TO BLAME' programme in 2013 was the visit on 4th May to the City Library, Grand Parade, by President Michael D. Higgins to officially open an exhibition 'The Crucial 100: one hundred books which inspired a revolution'.

Sheol Leabharlanna Cathrach Chorcaí an clár deich mbliana faoin mbrat 'Tá an chuma air gur ar an stair atá an milleán' [It seems history is to blame], mar fhreagra ar chéad bliain a bheith caite ó tharla Éirí Amach na Cásca agus an tréimhse roimhe (1913-1916), an Chéad Chogadh Domhanda (1914-1918), agus Cogadh na Saoirse/an Cogadh Cathartha (1919-1923). Dearadh an clár chun cabhrú le saoránaigh a thuiscint cad a tharla, agus cén fáth, agus chun ceachtanna a fhoghlaim as atá ábhartha dár ré féin. Ní hamháin go bhfuil sé i gceist breathnú siar, áfach; tá sé ar intinn ag na Leabharlanna leas a bhaint as an tréimhse deich mbliana atá romhainn chun scáthán a chur in airde ina mbeidh an tsochaí chomhaimseartha le feiceáil aici féin.

Sheol an tArdmhéara an clár i mí Feabhra 2013. Nuair a tháinig deireadh leis an taispeántas 'The Crucial 100', leanadh den chlár ar feadh an fhómhair le sraith cainteanna: maidir leis an gcaoi is fearr chun cuimhneamh ar imeachtaí stairiúla; ar thuairimí James Connolly ar shaoirse náisiúnta, ar an Aontachas i 1912-1913, agus ar bhunú Óglaigh na hÉireann.

Cork City Libraries launched the decade-long programme under the banner 'IT SEEMS HISTORY IS TO BLAME', as a response to the centenaries of the Easter Rising and the period leading up to it (1913-1916), World War I (1914-1918), and the War of Independence / Civil War (1919-1923). This programme is designed to help citizens understand what happened, and why, and to learn lessons for our own time. The intention is not merely to look back, however, it is the Libraries' intention to use the coming decade to hold a mirror up to contemporary society.

The programme had been launched by the Lord Mayor in February 2013. After the conclusion of 'The Crucial 100' exhibition, the programme continued through the autumn with a series of talks: on how best to remember historic events; on James Connolly's views on national freedom, on Unionism in 1912-1913, and the formation of the Irish Volunteers.

Rogha Leabhar Chorcaí

Nuair a rinneadh na vótaí a chomhaireamh i mí Mheán Fómhair ba léir cén leabhar a fuair an bua: Stone Mad le Seamus Murphy. Sheol an tArdmhéara, an Cllr. John Buttimer an promóisean ‘Rogha Leabhar Chorcaí’ [Cork’s Favourite Book] i mí an Mhárta, ag tabhairt cuireadh do mhuintir Chorcaí vóta a chaitheamh dá rogha leabhar. San áireamh ar an ngearrliosta 10 leabhar bhí: The ghost of Shandon le Alan Corbett, History’s Daughter le Máire MacSwiney Brugha, Praise in which I live le Paul Durcan, The Hobbit le JRR Tolkien, The Lobby Bar le Monica McNamara, My flirtation with International socialism le Gerry Murphy, Stone mad le Seamus Murphy, Triggs le Paul Howard, Cork Rock le Mark McAvoy agus Pride and Prejudice le Jane Austen.

Ar an Satharn 29 Meitheamh, rinne daoine aithnidiúla áitiúla stocaireacht ar son an leabhair ab fhearr leo ar an ngearrliosta. Baineadh an-sult as na hargóintí curtha i láthair ag na stocairí, lenar áiríodh Máirín Quill, Conal Creedon, Mary Malone, Johnny Hanrahan agus John Spillane. Ba é Johnny Hanrahan a bhí i mbun stocaireachta don leabhar buaiteach, Stone Mad, agus ghnóthaigh an leabhar sin breis is 30% de na vótaí deiridh. Chaith beagnach 1,400 duine vóta san iomlán.

D’fhógair an tArdmhéara, an Cllr. Catherine Clancy, an buaiteoir ar an 11ú Meán Fómhair, i láithreacht iníne Sheamuis, Orla. Sa leabhar deir Seamus ‘I do not know how far I have succeeded in giving an idea of how the men engaged in the stone trade worked and lived..but..I would be sorry to see it lost’. Is cinnte gur éirigh le Seamus agus is cosúil nach mbeidh Stone Mad dearmadta go deo ag léitheoirí a chathrach.

Cork’s Favourite Book

When all the votes were counted in September there was a clear winner: Seamus Murphy’s Stone Mad. Lord Mayor Cllr. John Buttimer launched the ‘Cork’s Favourite Book’ promotion in March, inviting the people of Cork to vote for their favourite book. The shortlist of 10, included: The ghost of Shandon by Alan Corbett, History’s Daughter by Máire MacSwiney Brugha, Praise in which I live by Paul Durcan, The Hobbit by JRR Tolkien, The Lobby Bar by Monica McNamara, My flirtation with International socialism by Gerry Murphy, Stone mad by Seamus Murphy, Triggs by Paul Howard, Cork Rock by Mark McAvoy and Pride and Prejudice by Jane Austen.

On Saturday 29 June local personalities championed their favourite book on the shortlist. Very entertaining arguments were presented on the day by the champions who included Mairín Quill, Conal Creedon, Mary Malone, Johnny Hanrahan and John Spillane. The winning book Stone Mad was championed by Johnny Hanrahan and obtained over 30% of the final votes, with almost 1,400 people voting in total.

Lord Mayor, Cllr. Catherine Clancy, announced the winner on 11 September, in the presence of Seamus’s daughter Orla. In the book Seamus says ‘I do not know how far I have succeeded in giving an idea of how the men engaged in the stone trade worked and lived..but..I would be sorry to see it lost’. Seamus has certainly succeeded and it seems Stone Mad will never be lost to readers in his city.

Nuamhaisiú don Leabharlann Tagartha

Rinneadh athchóiriú mór ar an Leabharlann Tagartha, ar an gcéad urlár de Leabharlann na Cathrach, Sráid an Chapail Bhuí, in 2013.

Leis an nuamhaisiú sin, baineadh amach leagan amach níos sruthlínithe, boird níos compordaí, rochtain ar sholáthar cumhachta ag gach bord, suíocháin fuinneogae feabhsaithe, agus seilfeanna níos fearr chun irisí agus nuachtáin a stóráil, cuireadh íomhá níos comhleanúnaí in ionad an lumpair agus lampair troscáin a bailíodh thar na blianta agus laghdaíodh dalldrú na bhfuinneog.

Tá 11 spás breise sa leabharlann, méadú ó 56 go dtí 67. Cuireadh deasca níos compordaí in ionad na ndeasc sna báhuinneoga, agus meaitseálann na cinn nua na boird. Bainneann buntáistí fuaime agus aeistéitiúla araon leis na tileanna cairpéid nua atá feistithe.

Feistíodh dallóga ar dhath uachtair ar na fuinneoga, rud a stopann an dalldrú ó sholas láidir ag na suíocháin fuinneogae agus ar na ríomhairí pearsanta, chomh maith le cuma níos teo a chur ar an seomra. Cuireann na boird nua, a fhrithchaitear an solas óna ndromchlaí, an chuma ar an seomra go bhfuil níos mó solais agus spáis ann.

Bileog Nua

Ar an 12 Samhain, sheol an tArdmhéara, an Cllr Catherine Clancy, bileog ina ndírítear aird ar réimse seirbhísí leabharlainne atá ar fáil trí mheán ár gcuid leathanach gréasáin, mar shampla, ríomhleabhair agus ríomh-chlosleabhair ar féidir iad a íoslódáil; leabhair, dlúthdhioscaí agus DVDanna a athnuachan agus a chur in áirithe tríd an gcatalóg ar líne; uathsheirbhís téacs SMS, atá saor in aisce, chun bail leabharlainne a chur ar an eolas láithreach nuair a bheidh míreanna a iarradh ar fáil, nó chun a chur i gcuimhne d'úsáideoirí míreanna a thabhairt ar ais sula mbeidh siad thar téarma; roinnt foilseachán leabharlainne; agus íomhánna, téacs, léarscáileanna, scóir cheoil, agus i bhfad níos mó ónár roinn Cheoil agus Staidéir Áitiúil.

Reference Library gets a Makeover

The Reference Library, on the first floor of the City Library, Grand Parade, underwent a major enhancement in 2013.

The 'makeover' has achieved a more streamlined layout, more comfortable tables, access to a power supply at each table, improved window seating, better shelving to house journals and newspapers, and has replaced the odds and ends of furniture that had built up over the years with a coherent look and reduced glare from windows.

There are 11 extra spaces, up from 56 to 67. The bay window desks were replaced with more comfortable ones which match the tables. The newly fitted carpet tiles provide both acoustic and aesthetic benefits.

Cream blinds were fitted to the windows, which stop glare from strong sunlight at the window seats and on the PCs, as well as giving the room a warmer look. The new tables with light-reflecting surfaces add to the feeling of light and space.

New Leaflet

On 12 November the Lord Mayor, Cllr Catherine Clancy, launched a leaflet highlighting a range of library services available through our webpages, such as, downloadable eBooks and eAudiobooks; renewing and reserving books, CDs, and DVDs through the online catalogue; a free and automated SMS text service to instantly inform library members when requested items become available, or to remind users to return items before they become overdue; some library publications; and images, text, maps, music scores, and much more from our Local Studies and Music department.

Tionscadail Chaipitil Comhshaoil & Áineasa

In 2013 chuir an Chomhairle Cathrach chun cinn roinnt tionscadal caipitil éagsúla a bhaineann le forbairt agus feabhsú na bpáirceanna ar fud réigiún na Cathrach mar seo a leanas:

1. Páirc Mhic Gearailt - Athchóiriú an Scardáin Uisce

Cheap an Chomhairle conraitheoir i mí Eanáir 2013 agus cuireadh na hoibreacha caomhantais i gcrích i mBealtaine 2013. Tógadh an scardán i gcoincreit luath timpeall ar 1903. Bhí drochbhail ar an gcoincreit agus bhí gá le clár suntasach caomhnaithe chun é a dheisiú agus a phríomhfheidhm mar lárphointe feidhmiúil don pháirc a athbhunú.

2. Páirc Mhic Gearailt - Gairdíní na Mairdige

Cheap an Chomhairle conraitheoir i Meitheamh 2013 i gcomhair thógáil Ghairdíní na Mairdige, a chuimsíonn uasghrádú ar an bpáirc agus lena n-áirítear na heilimintí ó ghairdín buachach Dhiarmuid Gavin ag Seó Bláthanna Chelsea 2011. Tá na hoibreacha le bheith críochnaithe i mí Aibreáin 2014.

3. Oibreacha Barrchaidhpeála Láithreáin Líonta Talún Bhóthar Chionn tSáile

Cuireadh tús leis an gconradh deiridh caidhpeála comhshaoil (C9), a chuimsíonn an 8Ha atá fágtha ag Líonadh Talún Bhóthar Chionn tSáile, in 2013. Tá an chéad chéim den fhorbairt ar Pháirc Ghleann na Trá Móire ar an gcuid thuaidh den láithreán ina cuid den chonradh sin freisin. Áirítear leis na saoráidí a chuirfear ar fáil:

- Fondúireachtaí pile chun tacú le struchtúir a thógfar amach anseo ar an láithreán.

Críochnófar na hoibreacha sin in 2015.

Environment & Recreation Capital Projects

During 2013 the City Council advanced several capital projects relating to park development and enhancement across the City region as follows:

1. Fitzgeralds Park - Fountain Restoration

Council appointed a contractor in January 2013 and the conservation works were completed in May 2013. The fountain was constructed in early concrete circa 1903. The concrete was in poor condition and needed a serious conservation programme to repair and

reinstate its main function as a working centre piece for the park.

2. Fitzgeralds Park - Mardyke Gardens

Council appointed a contractor in June 2013 for the construction of the Mardyke Gardens, which involves an upgrade to the park and includes the elements from the Diarmuid Gavin award winning garden at Chelsea Flower Show 2011. Works are due to be completed in April 2014.

Seirbhísí Uisce

Tionscadail Chaipitil:

Chuir an Chomhairle Cathrach roinnt tionscadal caipitil tábhachtach a bhain le soláthar uisce sa Chathair chun cinn freisin le linn 2013. Ba iad sin:

- Cheap an Chomhairle comhlacht innealtóireachta chun príomhphíobáin uisce nua a chur in ionad sean-phríomhphíobáin aníos idir Oibreacha Uisce Bhóthar na Laoi agus Taiscumair na Seanchille. Tá sé beartaithe go gcabhróidh an comhairleoir leis an gComhairle agus le hUisce Éireann sa chaoi is go mbeidh an tionscadal ag céim na tógála go luath in 2014. Baineann an-tábhacht leis na príomhphíobáin aníos atá ann cheana maidir le líonra uisce na Cathrach, toisc go seoltar thart ar 60% den uisce a úsáidtear gach lá sa chathair tríothu go dtí taiscumair stórála ardleibhéil.
- Cheap an Chomhairle comhlacht innealtóirí comhairleacha freisin chun tabhairt faoi ullmhú Réamhthuarascála agus comhairle a thabhairt dá réir sin ar bhealach nua chun nasc príomhphíobáin uisce straitéisigh a thógáil idir láithreán Thaiscumair Chetwynd, siar ó dheas ón gCathair agus Oibreacha Cóireála Uisce Bhóthar na Laoi atá ar siúl faoi láthair. Cuireadh obair gheoiteicniúil tosaigh um imscrúdú láithreáin i gcrích agus shroich an scéim céim an dearaidh mhionsonraithe agus an doiciméid conartha amach in 2013. Nascfaidh an príomhphíobán uisce straitéiseach sin líonra soláthair uisce na Cathrach le Scéim Soláthair Uisce Chuan agus Chathair Chorcaí ag Inis Cara. Trí nasc den sórt sin a sholáthar, cuirfear le slándáil an tsoláthair do thomhaltóirí na Cathrach sa chás ina mbeidh aon bhriseadh sa soláthar ag Ionad Cóireála Uisce Bhóthar na Laoi.
- Baineadh amach cead pleanála chuid 8 le haghaidh Oibreacha Cóireála Uisce nua 'dearadh-tógáil-oibriú' ag Bóthar na Laoi in 2013. Le cead ó Uisce Éireann, tosófar ag tógáil an ghléasra sin amach in 2014 agus beidh leibhéal táirgeachta 80 meigilítear in aghaidh an lae aige ar deireadh.
- I rith na bliana freisin, ullmhaíodh doiciméid dearaidh agus doiciméid chonartha le haghaidh oibreacha caomhnaithe uisce i limistéir mhéadair ísle an cheantair thuaidh den Chathair agus sna limistéir mhéadair thoir thuaidh den Chathair. Tugadh faoi a lán conarthaí imscrúdaithe talún agus samplála píopa le linn na bliana agus táthar ag súil go mbeidh na conarthaí athshlánaithe is gá á ndeonú ag Uisce Éireann go luath in 2014.

Water Services

Capital Projects:

During 2013 the City Council advanced several important capital projects relating to water supply across the City region as follows:

- Council appointed a consulting engineering firm for the replacement of old rising mains between Lee Road Waterworks and Shanakiel Reservoirs. It is envisaged that the consultant will assist Council and Irish Water in progressing the project to construction in early 2014. The existing rising mains are of great strategic importance to the City's water network, as they convey approximately 60% of the water consumed each day in the City to high level storage reservoirs.
- Council also appointed a firm of consulting engineers to undertake the preparation of a Preliminary Report and thereby advise on a new route to construct a strategic watermain link between Chetwynd Reservoir site, located on the south western side of the City and the present Lee Road Water Treatment Works. Initial geotechnical site investigation work was completed and the scheme advanced to detailed design and contract document stage in late 2013. This strategic watermain will connect the City's water supply network to the Cork Harbour and City Water Supply Scheme at Inniscarra. The provision of such a connection will provide enhanced security of supply to the City's consumers in the event of any supply interruptions at the Lee Road Water Treatment Plant.
- Part 8 planning approval for a new design-build-operate Water Treatment Works at Lee Road was achieved in 2013. This plant with the approval of Irish Water will commence construction in late 2014 and will have an ultimate production level of 80 megalitres per day.
- The year also saw the preparation of design and contract documents for water conservation works in both northern low and north eastern district meter areas of the City. Extensive ground investigation and pipe sampling contracts were undertaken during the year and it is anticipated that the necessary rehabilitation contracts will be awarded by Irish Water in early 2014.

TFC Agus Seirbhísí Gnó
ICT And Business Services

Bainistíocht Caidreamh Custaiméirí

In 2013 thug an Roinn TFC agus Seirbhísí Gnó faoi athbhreithniú forleathan ar an dá tháirge CRM arna dtacú ag an nGníomhaireacht Bainistíochta Rialtais Áitiúil (Microsoft Dynamics agus Sugar CRM). Tar éis comparáid a dhéanamh idir feidhmiúlacht an dá tháirge agus na costais tacaíochta tosaigh agus leanúnacha ina leith, sainaithníodh Microsoft Dynamics CRM mar an réiteach is oiriúnaí do Chomhairle Cathrach Chorcaí. De bharr an chinneadh sin, ceannaíodh leagan na bliana 2013 de na bogearraí sin agus suiteáilte iad ar fhreastalaithe na Comhairle Cathrach. Rinneadh uasghrádú ar an réiteach CRM um Sheirbhís do Chustaiméirí de chuid na Stiúrthóireachta Bóithre go dtí V2013 agus cuireadh feidhmiúlacht bhreise leis chun feabhas a chur ar an réiteach. Cuireadh tús le hobair ansin ar chóras CRM um Fhíneáil Bhruscair a sheachadadh, lena n-áireofar, den chéad uair i gComhairle Cathrach Chorcaí, CRM Móibíleach ar ghléasanna táibléid Android mar chuid den réiteach. Rinneadh an córas sin a dhearadh agus a fhorbairt in 2013 agus beidh sé á chur i bhfeidhm sa chéad ráithe de 2014. Nuair a bheidh an córas CRM um Fhíneáil Bhruscair curtha i gcrích, déanfar gach larratas Seirbhís eile sa Stiúrthóireacht Chomhshaoil agus Áineasa a chuimsiú i réiteach CRM ar fud na Stiúrthóireachtaí.

Limistéar Aonair d'Íocaíochtaí Euro

De bharr an Limistéir Aonair d'Íocaíochtaí Euro (SEPA), b'éigean cóid IBAN agus BIC a chur i bhfeidhm maidir le cuntais in ionad na gCód Cuntas Bainc agus na gCód Sórtála arbh ann dóibh roimhe sin. Chuige sin, níor mhór athrú a dhéanamh ar an bhfeidhmchlár párolla atá againn, Core agus ar ár gcóras bainistíochta airgeadais, JD Edwards. Ní mór go ndéanfaí tagairt do na cóid nua IBAN agus BIC sin i ngach comhéadan leis na bainc. B'éigean a lán tástála a dhéanamh ar na hathruithe sin sular cuireadh i bhfeidhm iad sa chóras i mí na Samhna 2013, tamall maith roimh an spriocdháta, mí Feabhra 2014. Bhí píosaí oibre i gceist freisin lena chinntiú go raibh gach cuntas bainc ar ár mbunachair shonraí comhlíontach maidir le SEPA, agus níor mhór teagmháil a dhéanamh le baill foirne agus le bainc éagsúla chun é sin a dhéanamh.

Bainistíocht Ábhair Fiontair

Mar gheall go bhfuil béim níos mó ar sheirbhísí comhroinnte agus ar chomhoibriú idirghníomhaireachta, tá dúshlán le sárú lena n-áirítear bainistíocht doiciméad agus malartú doiciméad, leaganacha doiciméad a bhainistiú, sreafaí oibre agus sioncrónú féilire do na tionscadail a bhfuil tús curtha leo. In 2013, chuir an roinn TFC agus Seirbhísí Gnó i bhfeidhm an réiteach Bainistíochta Ábhair Fiontair (ECM) Foinse Oscailte Alfresco chun freastal ar na riachtanais sin. Cuireadh roinnt treoirthionscadail rathúla i gcrích lena n-áirítear tionscadail amhail an Gineadóir Campais, ina raibh roinnt ranna inmheánacha agus soláthraithe seirbhíse seachtracha páirteach. Foilsíodh doiciméid don Fhoireann Ardbhainistíochta, do Choiste na gCathracha Cliste agus do Choiste Réigiúnach na bPríomhoifigeach Faisnéise trí leas a bhaint as an réiteach agus tá siad inrochtana ag roinnt teicneolaíochtaí lena n-áirítear gléasanna táibléid. De bharr na roghanna comhoibrithe agus inrochtaineachta atá sa réiteach, go háirithe an áis chun rochtain shlán a fháil ar an bhfaisnéis le líon ar bith gléasanna agus áiteanna, tá Seirbhís Dóiteáin na Cathrach ag smaoineamh ar leas a bhaint as i gcomhair riarachán leanúnach agus foilsíú an Phlean Mórreigeandála. Tá sé beartaithe leas a bhaint as freisin chun cláir oibre, miontuairiscí agus faisnéis eile a fhoilsiú do chruinnithe na Comhairle Cathrach, rud a laghdóidh na riachtanais phriontála. Tá an ECM curtha i bhfeidhm agus cumraithe lena úsáid ag Comhairle Contae Chorcaí agus údarais eile ar bhonn tairisceana seirbhíse comhroinnte.

Customer Relationship Management

During 2013 the ICT & BS Department undertook an extensive review of the two CRM products supported by the LGMA (Microsoft Dynamics and Sugar CRM). Having compared the functionality and the initial and ongoing support costs for both products Microsoft Dynamics CRM was identified as the most appropriate solution for Cork City Council. Following on from this decision version 2013 of this software was purchased and installed on City Council servers. The Roads Directorate Customer Service Request CRM solution was upgraded to V2013 and additional functionality to enhance the solution was added. Work then began on delivering a Litter Fine CRM system which will include for the first time in Cork City Council Mobile CRM on Android tablet devices as part of the solution. This system was designed and developed in 2013 and will go live in Q1 of 2014. Upon completion of the Litter Fine CRM system all other Service Requests in the Environment & Recreation Directorate will be incorporated into a Directorate wide CRM solution.

Single European Payments Area

The Single European Payments Area (SEPA) required the implementation of IBAN and BIC codes for accounts to replace the existing Bank Account and Sort Codes. This involved modification to our payroll application Core and our financial management system JD Edwards. As all interfaces with the banks needed to reference these new IBAN and BIC Codes. These modifications required extensive testing before going live in November 2013, well before the deadline of February 2014. A body of works was also required in ensuring that all bank accounts on our databases were SEPA compliant and this involved liaising with staff and various banks.

Enterprise Content Management

The increased emphasis on shared services and inter-agency collaboration has led to challenges including document management and exchange, document versioning, work-flows and calendar synchronisation for the projects that have been initiated. In 2013 the ICT and Business Services department deployed the Alfresco Open Source Enterprise Content Management (ECM) solution to meet these requirements. A number of successful pilots were completed including projects such as the Campus Generator, involving a number of internal departments and external service providers. Documents for Senior Management Team, Smart Cities Committee and Regional CIO Committee have been published using the solution and are accessible by a number of technologies including tablet devices. The collaboration and accessibility options offered by the solution, in particular the facility to securely access the information using any number of devices and locations, has led to the City Fire Service considering it for the ongoing administration and publication of the Major Emergency Plan. It is also planned to publish agendas, minutes and other information for City Council meetings, reducing the printing requirements. The ECM has been deployed and configured to allow it be used by Cork County Council and other authorities as a shared service offering.

Investment: €100K

Metrics:

Removal of steps

This project provided the tender documents and detailed design and construction of walking infrastructure improvement works in the vicinity of the St Patrick's school complex, Gardener's Hill. The works have ensured a safer environment for pedestrians and cyclists and will build on the behavioural change programme currently being undertaken with the schools within the St Patrick's campus.

- **Behavioural Change Project – Schools and Workplace Travel Plans Total spend in 2013 - €21,440**

This project seeks to bring about, over time, a modal shift to more sustainable travel (walking, cycling, and public transport) on the journey to school and to the workplace.

Scope: Engaging with schools and workplaces to raise awareness of and promote sustainable travel modes and development of school and workplace travel plans.

Purpose: Create modal shift to more sustainable travel modes in line with Smarter Travel policies.

Expected Benefits: Reduction of traffic congestion at schools and workplaces, reduction of emissions, increase in active travel, healthier workforce and students.

In schools a number of measures are undertaken including education and awareness programmes, advice and assistance on school travel plans, promotion of cycle to school, bike maintenance classes, cycle training, bike parking, promotion of walking, Park and Stride, public transport

and car pooling among students and staff. A similar programme is undertaken in relation to workplaces.

During 2013, the schools that had participated in the Smiles Project were contacted and offered support to encourage continuation of the successes achieved in that project. This included the further development and implementation of their school travel plans and a continuation of promoting sustainable travel. In addition, a number of new primary and secondary schools were identified and engaged with, in particular in the Douglas and Gardiners Hill areas, with varying degrees of commitment. Businesses ranging in size between 80 and 250 employees have been approached and to date just one has committed to changing their travel habits, and to reduce car use. The Behavioural Change Project is one that involves a change of mindset and a continued programme of engagement with schools and workplaces will bring about a modal shift over time.

- **Cycling & Walking Strategy - Improved Facilities Investment: €210k**

Metrics:

Substantial completion

The improved pedestrian facilities on Churchfield Avenue and Ringmahon Road will provide safer pedestrian access to local services and the public transport network.

The location at Churchfield Avenue includes an adjacent small green area and footpaths. Improved pedestrian facilities and street lighting would provide access for residents to nearby bus routes. The perception in terms of personal security will be enhanced with the provision of improved street lighting at both locations.
